For everyone who reads their news in the most obscure places (that includes us too), you can now read all the news that the school sends on your iPhone. You can bookmark various sections, zoom into specific articles, email it to yourself and believe it or not, print it too (don't do it too often, we're all about saving trees).

Just search for "Mount DrUITT Public School" on the Apple App Store and the Google Play Store. Download the app for FREE and login with the following credentials:

username: community

Information for Parents

Dear Parents,

The Camp Quality Puppets have been invited to perform at your child's school on:

Friday 27 June 2014

It is an educational program using puppets to deliver a fun and positive message about supporting children living with cancer and other serious illnesses.

There is no charge to the school or the children.

The information shared aims to help children heighten their awareness of the need to care for and support others who may look, or be a little 'different', particularly because of physical problems, such as hair loss, because of cancer treatment.

Children frequently ask very thoughtful questions. We are able to answer most questions to satisfy their 'need to know' and concerns that they may have. We do not have the authority to answer complicated medical questions. If they occur, we will refer the child to make enquiries of a medical practitioner.

This program links well with *Community Awareness* and *Personal Development* in the school program, and is most certainly not limited to schools with ill children. The contents relate very much to our children's contribution to a more caring society.

Over 3,000,000 children have seen our puppets, and have been delighted as the characters come to life, relating very well, the information given to the children on their own level. Puppets have for many generations, been a fantastic communication tool. We trust that your children will benefit from the lessons they will learn through listening to our stories.

If you need to know detail of the program, please do not hesitate to call our team on

Follow our community's expectations every week and you could be the next to receive a wristband.

@ MDPS we are Responsible Respectful Learners

Positive Behaviour For Learning is a framework for delivering clear expectations for behaviour of all community members at MDPS. If you would like to know more please see www.pbis.org. The PBL committee meets even weeks in the school library, Fridays @ 830am.

NIT TIP!

To get rid of nits.... cover hair with coconut oil (available from the supermarket... make sure you get the one without the bits of coconut in it), comb through, then rinse with vinegar. Rinse again if need be. Kills the little blighters!! Coconut oil is fantastic for your hair.

Someone has read this and suggested it works. We are sharing it with you, as many parents are quite desperate about the nits that seem to be ever present.

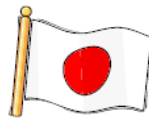

The Student Newspaper

In Week 9 of Term 2, the 5th Edition of the Student Voice will be published and sold to the students of MDPS for \$0.50c per copy. The Student Voice covers a variety of articles written by the students for the students, it also includes puzzles, reviews, and loads more. This newspaper is available for students from Kindy to Year 6 and will be sold during recess and lunch.

*Thank you for your support
